

SEND HUB

SERVICES & PACKAGE GUIDE

OUR SERVICES

At the SEND Hub North West, we are passionate about empowering schools to provide the very best education for ALL children. Our experienced team of specialist teachers offer expert assessments, tailored support, and practical strategies to help children and young people thrive in inclusive, supportive environments.

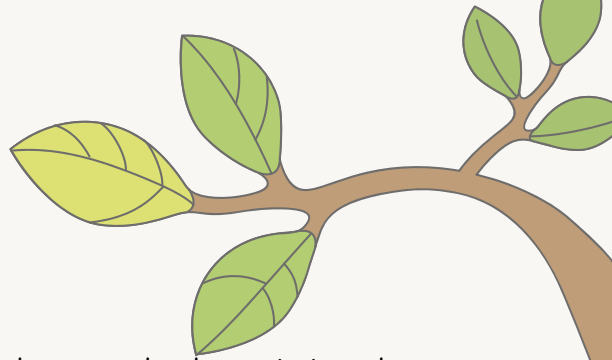

SERVICES

We provide assessments using a wide range of tools and screeners to focus on;

- SEND within the Early Years
- Speech, Communication and Language Screening
- Sensory Processing Differences
- Social Skills and Emotional Literacy
- Reading and Maths
- Dyslexia Screener and Dyslexia Profile
- Visual Stress/ Visual Discomfort Assessment - **COMING SOON**

PACKAGE GUIDE

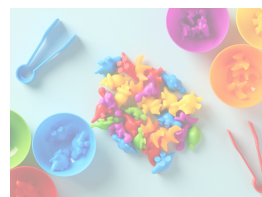

School settings can purchase any of the packages below. We also provide a larger, flexible package of support (blocks of 10hrs).

EYFS PACKAGE (2HRS)

Short observation of the child in their setting and discussions with key staff members. Recommendations and report.

Strategies to support;

- Early play, focus and attention
- Speech, communication & social skills
- Self-care needs
- Fine & gross motor skills

- ✓ Recommendations
- ✓ Suggested intervention

PUPIL LEARNING PROFILE (3HRS)

Short assessment of individual pupil's learning profile to include;

- Phonological awareness, reading ability and comprehension, spelling accuracy, number screening & working memory
- Report detailing summary of needs

- ✓ Recommendations
- ✓ Suggested intervention

DYSLEXIA SCREENER AND PROFILE

Use of subtests to develop a detailed profile of an individual's strengths and challenges to identify and support particular areas of difficulty in literacy learning. This is NOT a diagnostic assessment.

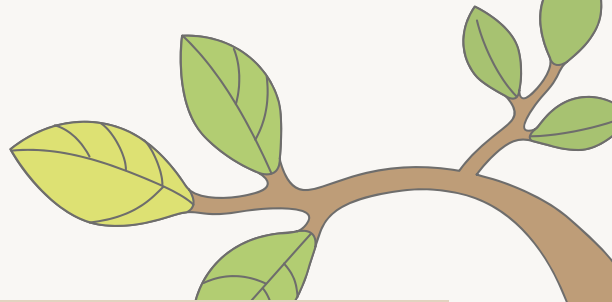

Report included.

- ✓ Recommendations
- ✓ Suggested intervention

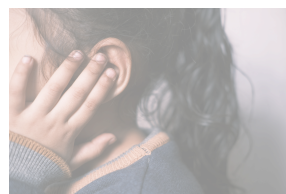

PACKAGE GUIDE

SENSORY PREFERENCES ANALYSIS (3HRS)

A detailed analysis of a pupil's sensory preferences based on observation, parental questionnaire, and teacher questionnaire. Although this is NOT a diagnostic assessment, it can be very useful to identifying barriers within the environment that impact learning.

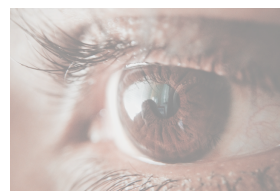

- ✓ Recommendations
- ✓ Suggested resources

Parents AND School settings can purchase the assessment packages below.

VISUAL STRESS/ DISTORTION ASSESSMENT (1.5 HRS) **COMING SOON**

- Explores the range of symptoms and distortions related to visual stress
- Establishes the best single or combination of overlay colour and the need for other initial accommodations such as paper colour, screen filters and appropriate lighting.

- ✓ Report & Overlay

SPEECH, LANGUAGE & COMMUNICATION

Targeted assessment, intervention plan and resources for pupils with speech, language and communication needs (SLCN).

Boost the communication skills of pupils awaiting involvement from an NHS speech and language therapist.

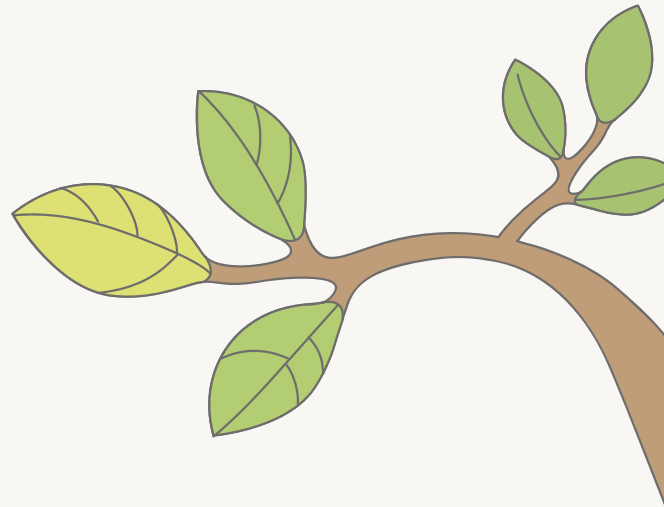

- ✓ SLCN Target Plan
- ✓ Suggested resources
